PAYMENT OPTIONS FOR OUR PATIENTS

Our mission is to deliver the finest, most cost effective health care treatment available today. Following your diagnosis, the doctor will advise you of his plan for treatment. Additionally, we will discuss with you the cost of today's and future treatments.

Payment for today's visit and future visits is due at the time of treatment. We are sensitive to the fact that some patients may not be able to pay cash for their treatment: therefore, we do offer several alternative payment programs for your convenience.

Please indicate, by circling the corresponding number, the form of payment you wish to use to settle your account:

1. CASH
2. CHECK
3. BANK CARD: We accept the following: American Express, Discover, MasterCard, or Visa.

* Option available after today's visit:

* Care Credit (GE Finance Co.) or ICare payment option

Working in conjunction with these financial services, we are able to offer our patients financing some without any interest payments.

* Patients with INSURANCE COVERAGE will be asked to comply with the following guidelines:

* Deductibles due and payable at time of treatment.

* Co-Payment due at each appointment regardless of treatment.

As well as missing an appointment, arriving late and short notice cancellations, are not fair to us or our other patients. We reserve the right to impose a fee and discontinue treatment to patients that do not respect our time.
